SUBJ: Agency Management Information Group Activities

As mentioned in the steering committee meeting of July 27, we plan to convene the first get-together of the Audit and Investigative Services Committee in September. This will be a short organizing meeting to discuss our agencies' mutual interest and responsibilities in this important activity. The meeting will be held on September 20 at 10 A.M. Mr. Arnold B. Brodsky, our Financial Manager, has been designated as Chairman. If you wish to participate please have your representative contact him at 724-0844 so that arrangements can be made for a suitable conference facility and an advance list of attendees prepared.
